Minifigure Mini Room 1:
Girls Room Castle

Designed by: Kimberley Smith

Features a castle themed bunk bed with a cozy reading nook underneath her bed.

This MOC was designed in May 2024. If you need parts, I might have what you need. My website has a link to my Bricklink store. I am always adding new parts and I ship quickly! This MOC is the first in a series of Minifigure themed mini rooms. I'll be adding the free instructions to my website as each one is created. The mini rooms will be able to connect together (from the sides and stacking). Please keep watch for more!

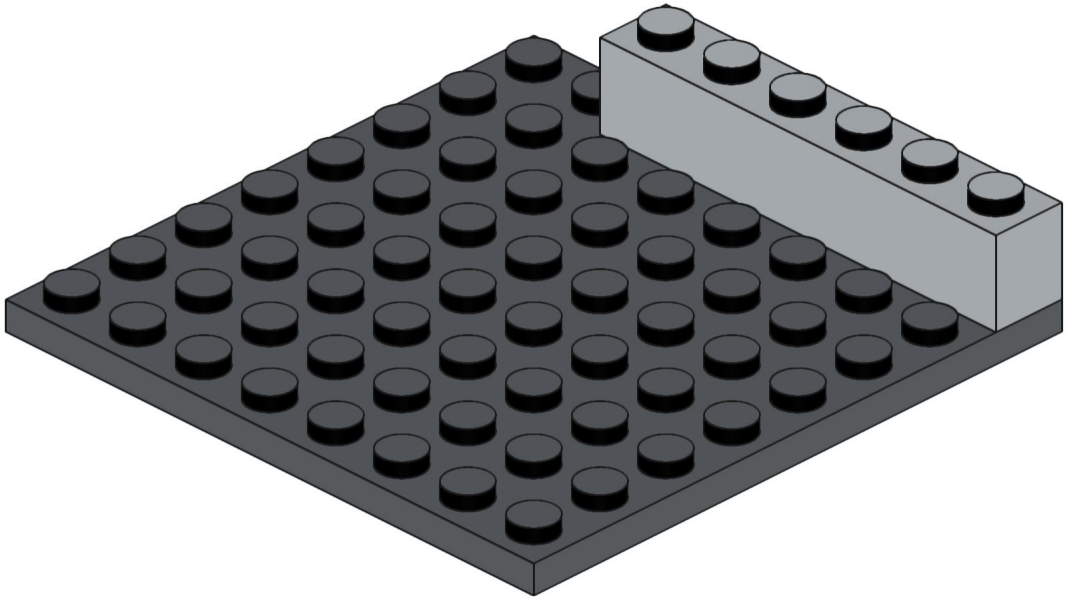

This Minifigure Mini Room was created for:

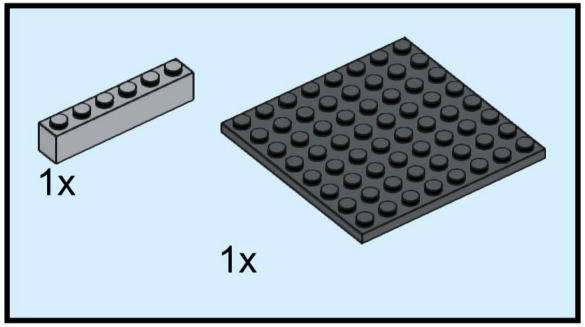

Series 24
Rockin' Horse Rider
Part Number: col24-11
Year Released: 2023

You can place the rocking horse in front of the castle opening on the coblestone or add a round stud on top of the reddish brown 1x1 plate to secure the rocking horse.

Edit:
On the 4th step up, do not use the single stud. Make that step top all tile.
