Cozy Hobbit House Room
Designed by: Kimberley Smith

This MOC was designed in May 2024. If you need Lego parts, I might have what you need. My website has a link to my Bricklink store. I am always adding new parts and I ship quickly! www.gottabrickscape.com

This minifigure mini room is designed to connect or stack on top of other mini rooms. When put together you can create an amazing display for your favorite minifigures.

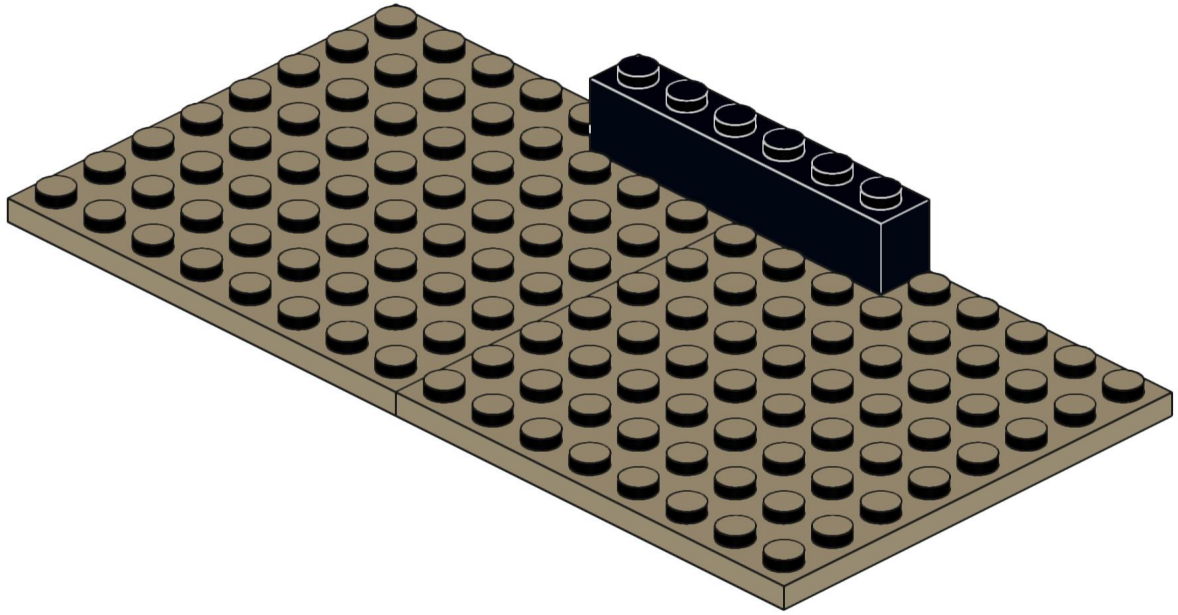

This Minifigure Mini Room was created for:

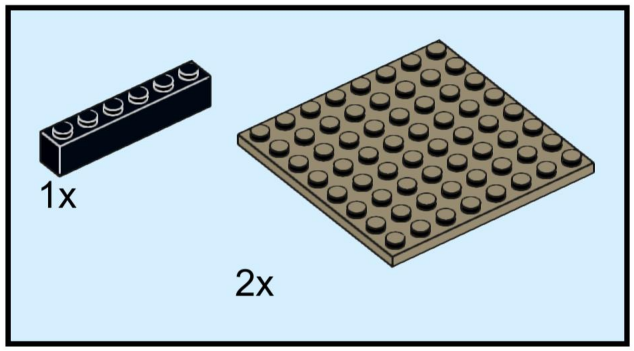

The Bilbo Baggins minifigure.

The minifigure that I used for this mini room is part number: lor029
