Designed by: Kimberley Smith

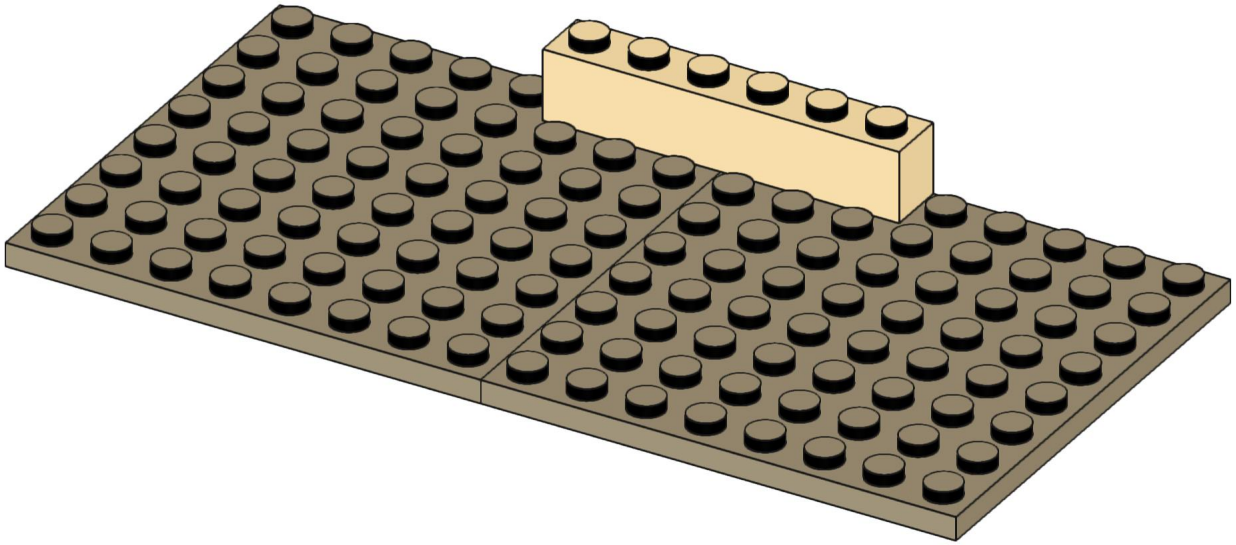

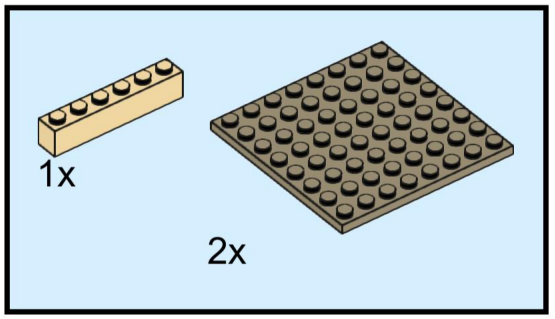

This MOC was designed in May 2024. If you need Lego parts, I might have what you need. My website has a link to my Bricklink store. I am always adding new parts and I ship quickly! www.gottabrickscape.com

This minifigure mini room is designed to connect or stack on top of other mini rooms. When put together you can create an amazing display for your favorite minifigures.

Before the top clear dome piece is set you can insert trans-dark blue (Ravenclaw) and trans-yellow (Hufflepuff) round studs into the bottom dome piece. If you fill it a little too full, the top dome piece will hold the studs.
