

55 Central Part W
For the Lego Dimensions Ghostbusters Stay Puft Marshmellow Man

Designed by: Kimberley Smith

Minifigure Mini Room 7

This MOC was designed in June 2024. If you need Lego parts, I might have what you need. My website has a link to my Bricklink store. I am always adding new parts and I ship quickly. www.gottabrickscape.com

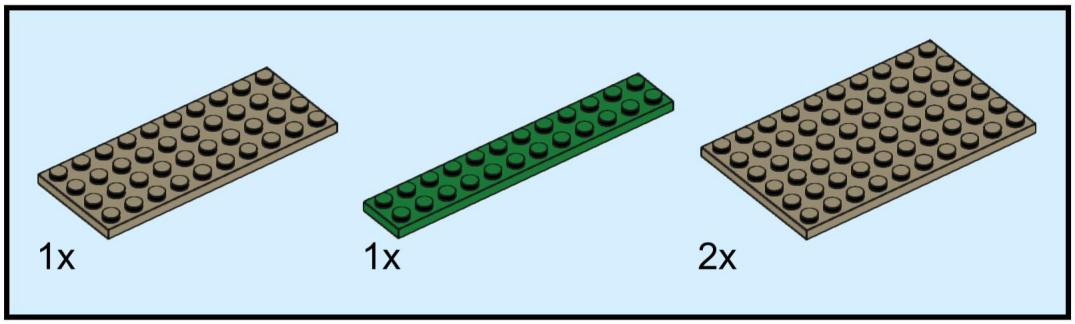

This minifigure mini room was designed to connect or stack on top of other mini rooms. When put together you can create an amazing minifigure display.

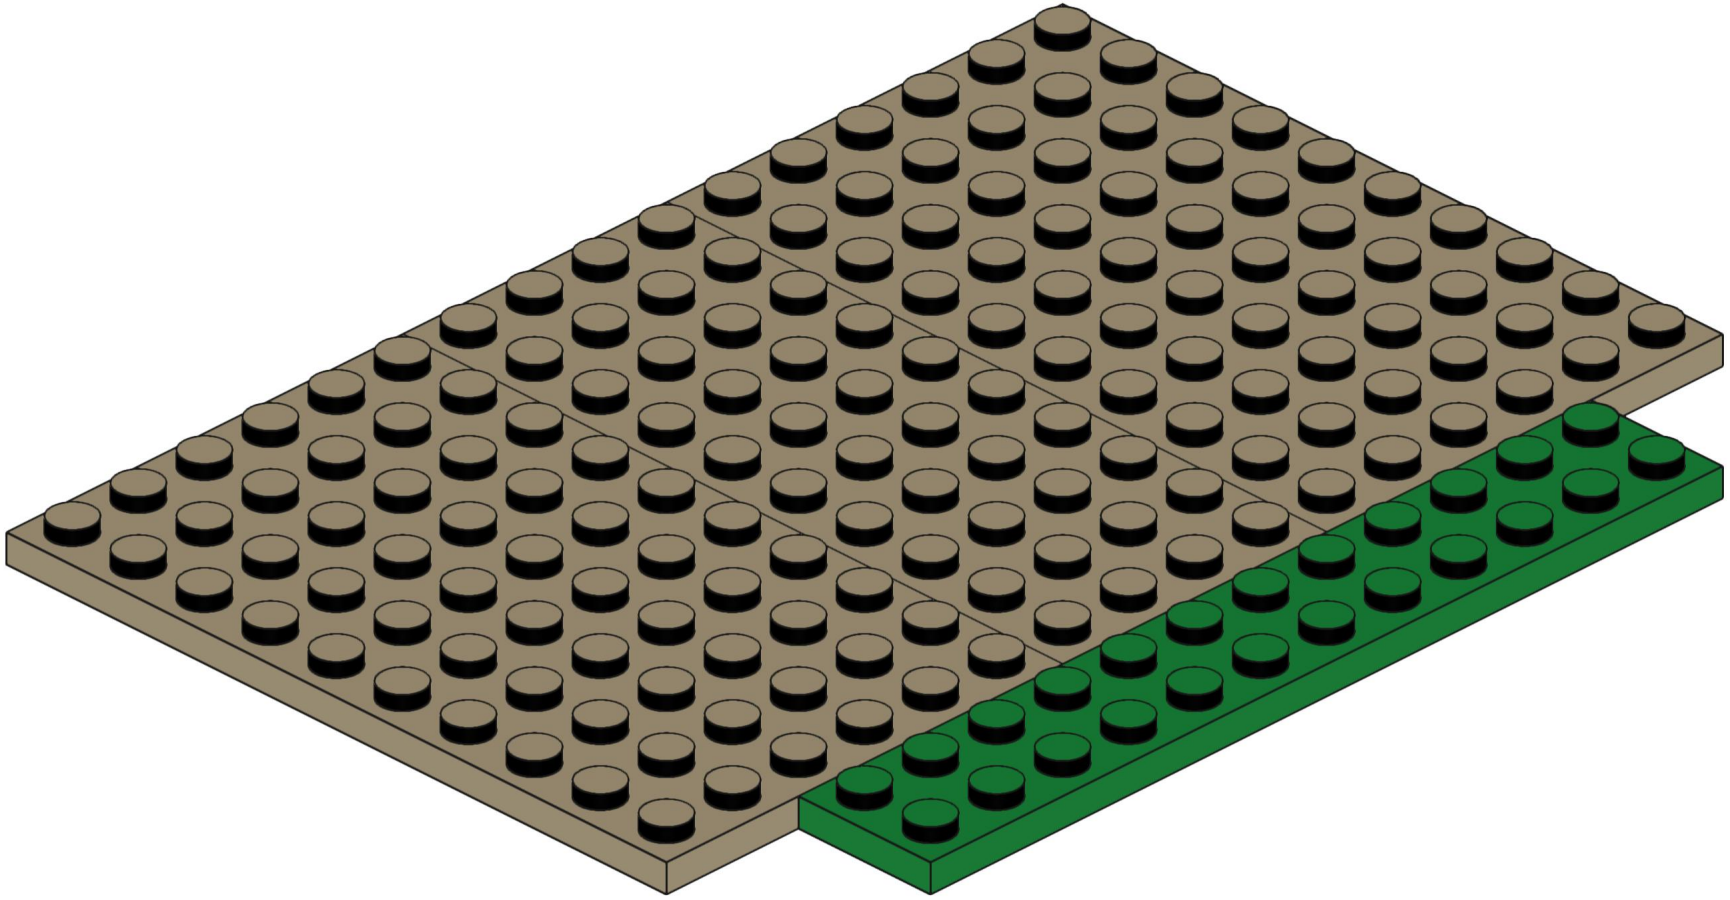

This build has an optional Lego Dimensions Toy Tag holder.

Note: In my actual build I only needed 2 clear round studs to finish the top. The studio program that I designed this build in may not have put these pieces tightly together.
