Lego Dimensions Minifigure Display for: Beetlejuice

Created ByL Kimberley Smith

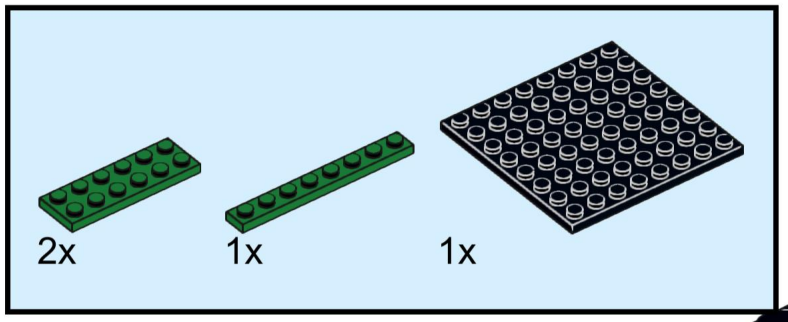

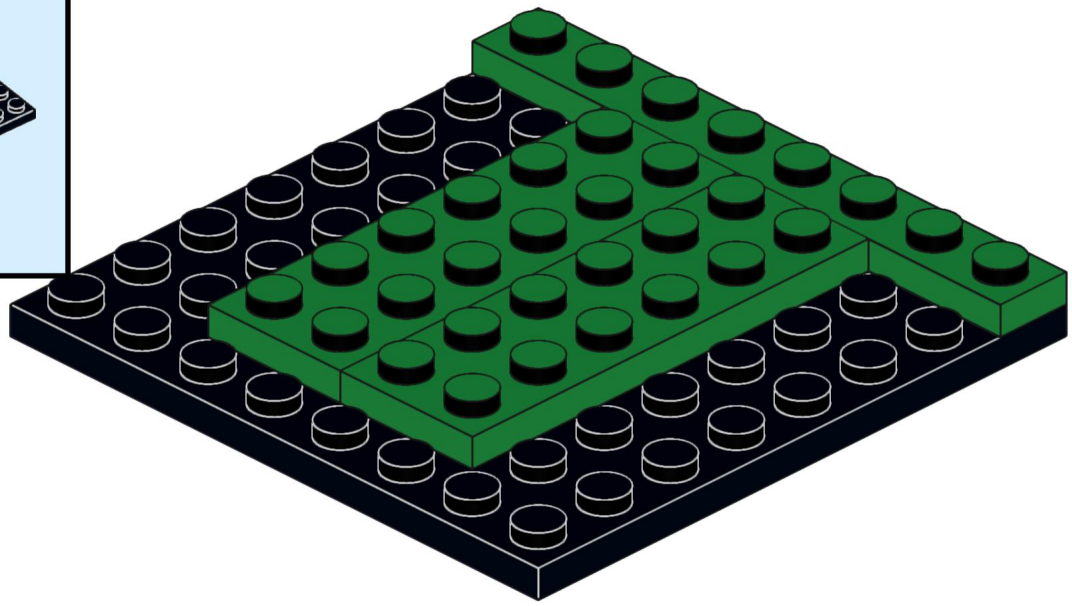

This MOC was design in June 2024. If you need Lego parts for this build, I might have what you need. My website has a link to my Bricklink store. www.gottabrickscape.com

This small minifigure display is designed to connect and stack with other minifigure displays. When put together you can create an amazing minifigure display for your Lego Dimensions minifigures.

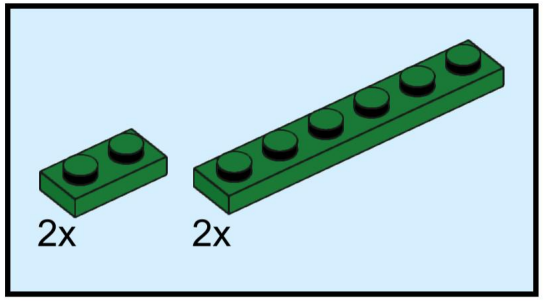

You can also quickly take and put back your minifigures in these displays if you choose to use them behind your Lego Dimensions game pad.
